

FOX MILL CLASS OF 2021 CAR PARADE

FAQ

Who can participate in the parade?

Any graduating high school senior who lives in the Fox Mill neighborhood, went to elementary school at Fox Mill, or otherwise is affiliated with this neighborhood. Whether you went to South Lakes, TJ, Chantilly, Herndon, private or home school – if you're part of the class of 2021 and the Fox Mill community, this parade is for you!

I'm a class of 2021 graduate, what do I need to do to participate?

All you need is a car to ride in. It's best if someone, such as a parent or sibling, drives so you can wave at your fans. Feel free to go all out with spirit wear and decorations to represent your school and/or your future plans. Include your name prominently, so we know who we are cheering for!

Please fill out this [form](#) so we know how many to expect.

Where is the parade taking place and when should I be there?

If you are a senior riding in the parade, meet **no later than 6:45 p.m. at the Fox Mill Elementary School parking lot** where cars will line up to start the parade. The parade will travel throughout the neighborhood and end back at Fox Mill Elementary School. The parade route can be found [here](#).

How can the rest of the community participate?

All neighbors are encouraged to come out and cheer for Fox Mill's class of 2021 as they drive by. Bring decorations, posters, noise makers and your enthusiasm. The graduates have earned a celebration, and this parade is a fun way to honor and recognize their achievements.

Why a car parade?

Last year the community came together to support our seniors in such a special way. We saw the beginnings of a tradition starting that we couldn't let slip away.

THANK YOU FOR PARTICIPATING!

Let's all make this event a memorable celebration for the entire community! We all could use an opportunity to come together for such a happy occasion.
